

Spring Valley Revenge  
July 29, 2017

With the golf course set with the most challenging pin placements, 26 people competed to see who could get the furthest before they ran out of strokes. A handicap was calculated for each person and they were given their maximum number of strokes. The first player ran out of strokes on #14 green and the final player on #17 green. The majority of the players made it to holes #16 & #17.
